

Heber Mercantile Company

Big Department Store

As a rule
Man's a fool;
When it's hot
He wants it cool.

When it's cool
He wants it hot;
Always wanting
What is not.

Never liking
What he's got;
As a rule
Man's a fool.

THE ABOVE IS TRUE, for man is never satisfied, but we don't think we are fools for wanting your trade, which is our reason for advertising and soliciting your business. And we most certainly do not think you would be foolish if you should make up your mind to give us all your business. And as an incentive for you to do so, we have stocked every department with the season's best goods.

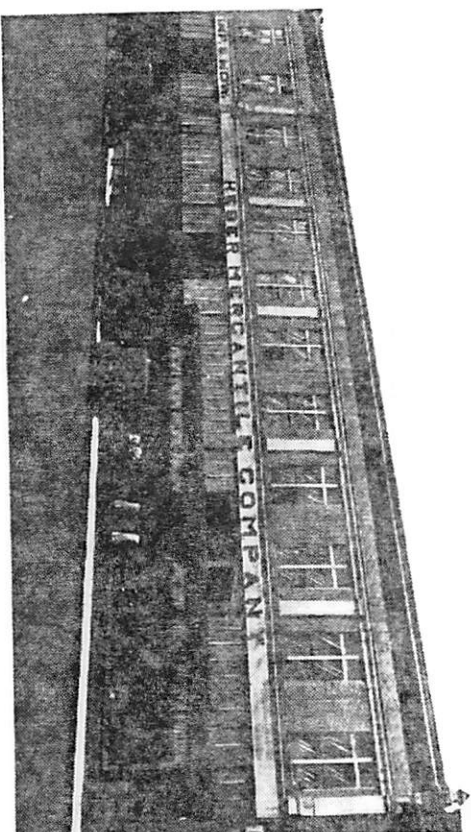

*If Dame
Fashion
has
decreed
"It is stylish"
we
have it.*

*More goods for same money —
Same goods for less money*

Joseph A. Rasband
